SUMMARY

Skilled Full Stack Developer with a strong background in creating responsive, user-friendly websites using HTML, CSS, JavaScript, Bootstrap, Tailwind, and jQuery. Proficient in back-end development with MySQL, SQL Server, and ASP.NET MVC, specializing in building robust and scalable web solutions. Currently a third-year Software Engineering student with a 3.23 C.G.P.A., and hands-on experience in front-end development at Xera Marketing. Eager to leverage my quick learning ability, problem-solving skills, and collaborative mindset in a dynamic and innovative environment.
